

Indiana University School of Medicine
 Graduate Division
Ph.D. QUALIFYING EXAM REPORT

This form should be used to record the result of a qualifying exam (i.e. the exam that a Ph.D. program uses to determine transition of a doctoral path student to candidacy). If the program exam format involves several steps, this form should be used to report the final, deciding part of the exam. If there is a retake of the exam, this form should again be used to record the result of the retake exam.

Name of student _____ University ID number _____

Ph.D. program _____

Major Professor _____

Date of student first enrollment in IUSM graduate study _____

Date of qualifying exam: _____

Advisory Committee/Qualifying Exam Committee - Signatures and Recommendations
